

OKAY! I'M AT HOME . . . NOW WHAT?

I am so glad you asked because I have a couple of things to share with you today that you can do now that you're home.

Hi, I'm Rosalyn Hickman, Author of "Anybody Home? In Search of the Titus Woman". And today I'm coming to you with some ideas that I believe will get you up and going with a little more excitement and purpose about being at home.

If you haven't heard my first YouTube entitled, "Did God Just Send Families Home? LOL", please be sure to listen and share with me what you see God doing in this Ka'rona virus Pandemic.

Let me just say right off the bat that my primary audience is Christian Women. Not because I'm prejudiced, but because, one of the things that I will ask you to do today is designed for the Christian woman.

But, if you've been thinking about becoming a Christian, you are at the right place and here's what you can do. Right where you are, admit that you are a sinner and need a Savior. Then ask God to give you the faith to confess the Lord Jesus with your mouth and the faith to believe in your heart that Jesus was crucified, buried, and rose again from the dead to save you. You can see these words in Romans 10:9 - 13 and I Cor 15. One last thing, if you truly feel that God is drawing you to him-self, I want to encourage you not to put off answering his call today. Who knows for such a time as this that this Ka' rona virus would bring salvation to your house. If this is the day you believed, would you please let me know. Just send a praise report to covenantkeypers@gmail.com attention Mrs Hickman.

Ok, so today women of God; I'm going to give you two things you can do - - - now that you're at home.

One is practical and the other one is spiritual.

First, you'll need a blank 8 1/2 x 11 sheet of paper.

At the top of the sheet, write the word "FRUITFUL" in the middle of the page.

Underneath the heading, FRUITFUL, draw a line down the middle of the sheet dividing the sheet into two columns:

On the left side of the vertical line at the top, write the word "Practical".

On the right side of the vertical line at the top, write the word "Spiritual."

Now, let's start with the Practical side of the sheet.

Take a few minutes and think about one thing that you have always wanted to organize in your home, but never had the time or the spirit to do it.

Think about something visible or something used often either by you or the entire family.

Once you decide what it is, write it out underneath the word Practical on the left side of your sheet.

This is now your personal project.

On the next line, under the project you wrote down, write the words, “start date” and then draw a horizontal line out beside it so you can write down the date you start the project.

On next line under the line you wrote start date, write the word “date completed” and draw a horizontal line out beside it so you can write down the date the project is completed.

Take a “before and after” picture of your project. Upload it and share it with us at covenantkeypers@gmail.com.

Now For the Spiritual side of your sheet,

Underneath the word Spiritual, write down the word “Sober”. Right beside the word Sober, in parentheses write Titus 2:4

Next take some time and do a “word study” on the word “Sober”. If you do not have a Word Study reference book, you can use the internet to research the Word at several doctrinally sound Christian links by authors your pastor recommends.

Then after you study the word Sober, sit down with your child or children and read Titus 2:3, 4, and 5 out loud to them. Or if they have learned to read, let them help with the reading.

In at least 15 minutes time, teach them what the Bible means when it says we should be sober. Give them a real life example that is age appropriate so they will remember it the next time you ask them what it means.

Take a picture of your children and you studying the Word “Sober” together.

Women of God, you have just done what you were created to do. “Keep the Home and Train” your children up in the way they should go. For more ideas on what to do now that you’re at home, request a copy of my book, *Anybody Home, In Search of the Titus Woman* at 423 838 5054 for \$11.99.
